The 8th International Conference on Emerging Ubiquitous Systems and Pervasive Networks (EUSPN) is a premier venue for bringing together multi-disciplinary researchers, professionals and practitioners from both academia and industry, who are engaged in different facets of ubiquitous systems and pervasive networks. The conference encourages innovative research contributions providing the recent significant developments and promising future trends of EUSPN based applications, systems, tools, environments and infrastructures in the fields of EUSPN and related areas. Papers on either completed or ongoing research are invited in the following and related tracks.

- *Ad hoc and Pervasive Networks*
- *Adaptive Systems, Intelligent Computing & Applications*
- *Big Data and Big Data Science*
- *Cloud, Cluster, Grid and Social Computing*
- *Emerging Pervasive/Ubiquitous Technologies*
- *Intelligent Traffic and Transportation Systems*
- *Internet of Things*
- *Mobile Computing and Wireless Communications*
- *Security, Privacy, and Trust*
- *Semantic Web Technologies*

A complete list of topics can be found at: <http://cs-conferences.acadiau.ca/euspn-17/call-for-papers.html>

Submission of Papers

Original, unpublished papers are solicited for presentation at the conference. Prospective authors are invited to submit papers (electronically, PDF Word format only) with no longer than 8 pages for full papers including all figures and references, and must be formatted according to the conference guidelines that can be found at:

<http://cs-conferences.acadiau.ca/euspn-17/paper-submission.html>

Submitted papers will follow peer-review procedures, and accepted papers will be scheduled for oral presentations. Selected papers will be invited for publication, in the special issue of:

- International Journal of Future Generation Computer Systems (IF: 2.430), by Elsevier
- International Journal of Ambient Intelligence and Humanized Computing (IF: 0.835), by Springer

At least one author of each accepted paper is required to register and attend the conference to present the work.

Venue

All authors and participants are recommended to stay in the "Park Inn Radisson" Hotel (<http://cs-conferences.acadiau.ca/euspn-17/venue.html>), where EUSPN-2017 and affiliated workshops will take place. Malmö Airport is 25 km from the hotel. Bokskogen Golf Club and PGA Sweden National are within 20 km. Copenhagen is located less than 1 hour from Lund and 35 minutes from Malmö. Copenhagen is the capital of Denmark and the largest city in Scandinavia. Copenhagen Airport is a major international hub for air travel with plenty of worldwide connections. There are frequent train connections from Lund and Malmö to Copenhagen Airport.
