The 9th International Conference on Current and Future Trends of Information & Communication Technologies in Healthcare

http://cs-conferences.acadiau.ca/icth-19/

November 4-7, 2019, Coimbra, Portugal

The 9th International Conference on Current and Future Trends of Information and Communication Technologies in Healthcare (ICTH) is a premier venue for bringing together multi-disciplinary researchers, professionals and practitioners from academia and healthcare who are engaged in different facets of ICT and healthcare. The conference encourages innovative research contributions providing the recent significant developments and promising future trends of ICT based applications, systems, tools, environments and infrastructures in the fields of health/medical care, and related domains, such as public health and pharmaceutics. Papers on either completed or ongoing research are invited in the following and related topics of interests.

A complete list of topics can be found at: http://cs-conferences.acadiau.ca/icth-19/call-for-papers.html

---

August 6, 2019

**Final Manuscript Due:**
September 6, 2019

---

**Submission of Papers**

Original, unpublished papers are solicited for presentation at the conference. Prospective authors are invited to submit papers (electronically, PDF Word format only) with no longer than 8 pages for full papers including all figures and references, and must be formatted according to the conference guidelines that can be found at: http://cs-conferences.acadiau.ca/icth-19/paper-submission.html

Submitted papers will follow peer-review procedures, and accepted papers will be scheduled for oral presentations. Selected papers will be invited for publication, in the special issue of:

- Journal of Ambient Intelligence and Humanized Computing (IF: 1.588), by Springer
- International Journal of Computing and Informatics (IF: 0.504), by CAI
- International Journal of E-Health and Medical Communications, by IGI Global

At least one author of each accepted paper is required to register and attend the conference to present the work.

---

**Venue**

ICTH 2019 will be held in the city of Coimbra. Coimbra is a historical city and a municipality in Portugal. ICTH 2019 will take place in the environment of technology startups and laboratories within the installations of Instituto Pedro Nunes (IPN). IPN is created in 1991 through a University of Coimbra initiative, Instituto Pedro Nunes is a private non-profit organization which promotes innovation and the transfer of technology, establishing the connection between the scientific and technological environment and the production sector. In the year of 2010, the Instituto Pedro Nunes incubator3 has been awarded as the Best Science-based Incubator in the world.
